

Assignment 3: Geographic Constraints

Created: 2019-08-02

1. Assignment Details

Prepare a two-slide presentation on the geographic constraints of your country.

- Slide 1: Using a map downloaded from the internet, present a demographic and geographic map of your country. Include the classification it has been given by Herbst and justify its classification.
- Slide 2: Discuss a few implications of the geographic map for human development, political liberalization, and social order.
