

Assignment 8: Language Policy

Created: 2019-12-05

1. Assignment Details

Write a short memo (3-5 pages) on language policy in your country after independence. In the memo, investigate the extent to which indigenous language policies was ever debated in the post-independence years. Use newspapers, texts, and/or library books. The memo should summarize the language debates, the results of these debates in terms of the place of indigenous languages in public life, in the media, and in schooling.
