

## *Assignment 11: Final Paper*

*Created: 2019-08-02*

### *1. Assignment Details*

Consolidating your analysis during the quarter, write a short essay (15 pages) about the country you have focused on, and on each of the outcomes, whether it fits or does not fit the general patterns experienced on the continent. Offer potential explanations for why or why not? In general, identify and account for the factors relevant to the country's trajectory that are not captured in the general models.
